

HEROIN ANONYMOUS

***** NEW MEETING *****

“HOPE N MIRACLES”

Heroin Anonymous is a non-profit fellowship of men and women who have found a solution to heroin addiction. This is a program of complete abstinence from ALL drugs. Our members consist of individuals who have found a better way of life. Our Program of Recovery was adapted from the program developed by Alcohol Anonymous in 1935. We apply the 12 steps as done in A.A. (which we are not affiliated), which involves one heroin addict helping another to achieve freedom from all addictions (including alcohol). Anyone, regardless of your drug of choice, is welcomed.
