STAFF SPOTLIGHT

Say *Hello* to our new Associate Director, Sarah Falwell!

Sarah came to TTI in 2007 as a Counselor in our Residential program before transitioning to the Utilization Review Coordinator role.

“
It wasn't until my shift to the substance use field that I realized where my true passion lied.
”

Thank you, Sarah, for your leadership and commitment to our staff and our clients. TTI would not be what it is without you. Congratulations on your new role!

After a brief time away, she returned to TTI as our Quality Assurance Coordinator. We are thrilled to announce Sarah was promoted to Associate Director in March of 2023.
