We Give Thanks

November is a month for giving back and giving thanks. We are overwhelmed with kindness and gratitude as we highlight acts of giving from our organization and our community.

David's Memorial Hall

David, son of Ed and Rosalie, sadly passed away a few months ago. He was an active member of the recovery community and would often utilize **Bethlehem Hope Center** for support and resources. After his passing, Ed and Rosalie asked how they could give back to the Hope Center, and they did so by giving two generous donations in support of the recovery center's mission. The donation will be used to carry on David's name by supporting others seeking recovery. The team at the Hope Center will be dedicating one of their meeting rooms in David's name. **David Memorial Hall** will be named in the presence of his family and friends at the Hope Center on Saturday, November 25, 2023.

Thank you, Ed and Rosalie, for your generous donation.

And thank you to our Hope Center staff for making such a profound difference.

Thank you, Muhlenberg College!

For several years, Muhlenberg College has been donating computers to TTI. Duane Allen and Soumira Haddad of our IT Department are pictured with some of the donated computers. Thank you, Muhlenberg College, for your generous acts of kindness over the years!

Allentown Halloween Walking Parade

On Saturday, October 28th, Allentown The Center Program Director, Brandy Rosania, set up a table full of TTI resources and swag for all the children who were trick-or-treating throughout the City of Allentown. She was able to pass out three cases of Narcan and over 50 outreach bags with literature to adults, 80 water bottles, and tons of socks and candy to the kids who walked by! What a fun way to give back to our community!

Safety Award!

The Embolden WC Trust presented a Safety Award to TTI for outstanding workers compensation claims performance from July 2021 to June 2022 during their Annual Meeting in October. Way to be safe and protect all our employees, TTI!

Recovery Centers

This month, our Recovery Centers are hosting football watch parties, Veteran's Day celebrations, and Thanksgiving events! Join in the fun this month by checking out their calendars!
