— HAPPY SPRING —

Messages of Hope

TTI partnered with ClearVision Health & Wellness to spread messages of hope this holiday season. Residents from both programs created inspiring cards and beautifully painted rocks to exchange with one another. It was wonderful to make this weekend extra special for our residents and theirs!

TTI Celebrates Healing Community: 2024

Sponsorship Opportunities

Thank You, From TTI!

TTI is so grateful to have received a grant from the Donald B. and Dorothy L. Stabler Foundation, which allowed us to purchase a gently used van for

Allentown Halfway Home. It's a huge help when needing to get our clients from one place to another. Our staff is so excited!

We also received a grant through the Pennsylvania Department of Drug and Alcohol Programs under the Pennsylvania Recovery Housing Program to remodel our Recovery House Kitchen! We are so happy to have a newly renovated space for our Recovery House residents to use.

Community Partnerships

TTI Allentown The Center has established an incredible partnership with the Coalition for Appropriate Transportation (CAT) over the last year. The Center has been able to work with CAT to provide bikes to individuals coming into The Center, and to individuals at Allentown Halfway Home. Thank you, Brandy and The Center Team for building this partnership!

Highmark Walk for A Healthy Community
