## TTI Celebrated 50 Years!

Thank you to everyone who joined us on Friday, August 25 at the Renaissance Allentown Hotel for an enjoyable, informative and inspirational night. We honored our history, our founders and our former executive director, Robert Csandl, and saluted a special community partner, Frank Ford of St. Luke's University Health Network. We also recognized TTI's programs and their important work, and are especially grateful to Matt and Aaron for sharing their stories and highlighting how TTI has helped to make a difference since 1969. The evening was a huge success!
