

tti UPDATE

Coming Soon!

2025 is shaping up to be an exciting year for TTI! We will be opening not one, but TWO programs this Spring and Summer!

Construction is well under way in Slatington, and hiring has begun to staff our Outpatient facility. Situated on Main St., the new TTI Slatington Outpatient will do assessments and case management, as well as individual and group counseling! We are grateful to Lehigh County Drug & Alcohol for awarding TTI the contract to provide these services.

Renovations are also ramping up to reopen TTI Allentown Residential. Even more exciting is the selection of the new Facility Director: Chelsea Edmunds!

Chelsea is well known to TTI, having previously been Director of Allentown Outpatient, and currently working in Administration as our QA/HR Coordinator. Please congratulate Chelsea!
