tti UPDATE

— HAPPY NEW YEAR! —

wishing you all health & happiness in 2024

Thank you!

We want to extend a big thank you to all who have supported us over the last year. Every gift we receive, whether monetary or goods and services, helps us provide effective, quality care. Among the highlights of 2023 was our special celebration to commemorate over 5 decades of providing service. We made so many new friends through this successful occasion, we've decided to host our second annual event on September 20, 2024! Speaking of friends, over the holidays TTI Allentown the Center was a beneficiary through The Morning Call's Be An Angel Campaign – thank you to the generous donors who contributed gloves, hats, socks, warmers, and gift cards, all tremendously helpful to all who enter The Center's doors! To our friends at The Allentown Farmer's Market including the Amish Bakery, Dan's BBQ Chicken, Heckingers Seafood, and Vallos Bakery - we thank you for your generous donations of delicious food and pastries for our clients.   We are grateful for every donation, and treasure our community's support more than we can ever express.

Support Us

Student Shadowing

This month, TTI is hosting two students from Northampton Community College, as well as a number of Nursing Students from St. Luke's University Health Network. We are so excited to be a small part of these students' education and provide them with hands-on experience within our programs. Thank you for trusting TTI to help show you the way!

Real Voices of Recovery

Episode 3 of our podcast, *Real Voices of Recovery*, is on the way! Justin Wright, Program Director of Bethlehem Hope Center, sat down with Stephanie and John to discuss the love story between the two of them and addiction. Stay tuned to listen to their story, being released soon at
