## Salute to Staff at Allentown Residential

As many know, we have suspended admissions into our long-time Allentown Residential (formerly Keenan House) treatment program, located in Center City since 1972. It was a difficult decision to pause services in the midst of an opioid crisis, burgeoning rates of destructive alcohol use, and wicked new drugs making their way onto our streets. We have done our best to keep the program going, but there are many challenges. One sad reality is the shortened lengths of stay mean we have to admit at least twice as many people into a program to keep it fiscally viable.

This program has served our community for over 50 years. Our staff, past and present, have served with distinction and positively impacted thousands of lives. They are heroes, and we salute them and their incredible efforts over the years. Thank you, to each and every one of you.

## TTI Alumni Picnic

All TTI Alumni and their families are invited to attend our picnic at the Allentown Rose Garden on Saturday, July 13th! Join us for food, fun, and fellowship while we take the time to celebrate how far our alumni have come.

RSVP to Des at [desmarielipsky@treatmenttrends.org](mailto:desmarielipsky@treatmenttrends.org)

## Ice Cream Social NEXT WEEK!

We partnered up with Recovery Cove to host a networking event on Friday, July 12th from 5pm-7pm, but ice cream sales to benefit TTI go on all night!

**Come out to join us next Friday!**

20% of icecream purchases go to support TTI and our mission - just mention our name when you order!

## Halfway Home at Dorney Park

Last Thursday, our Allentown Halfway Home staff took the day to get out of the facility and spend some time together as a team. They enjoyed a much deserved fun-filled day at Dorney Park, while TTI's Administrative staff held down the fort at the Halfway Home. TTI is all about team building and making sure our staff know how appreciated they are!

## St. Timothy's Church Service

On Wednesday, June 26th at 7:00pm, Marketing Coordinator, Sierra Mamay, represented TTI during St. Timothy's "Worship on Wednesdays" summer service where she spoke about our mission, our needs, and how others can support all we do for the community. It was a wonderful evening spent lifing up our organization and shining a light on the importance of our treatment programs.

## Recovery Centers

Take some time this month to get involved at our Recovery Centers! There's always plenty of activities to participate in. Stop by any of the Centers this July or check out the calendars online!
